

# Limfjords Competition and World Cup 7-classes – 70 years – year 07

## Denmark

# Limfjords Competition & ControlLine- World Cup

## 7 classes - 70 years of age – In the year 07.

The Aviator aeromodellers wish to invite all Aeromodellers to the greatest controlline competition in Denmark. The event will take place on **the 26<sup>th</sup> - 27<sup>th</sup> of may 2007**, so put it in your diary and look forward to a really enjoyable weekend.

With all these lucky numbers, the event could be nothing but at successful event for every competitor.

Yes it were in the year 1937, a group of young flying enthusiast formed our club, Aviator, and we are still not prepared to grab the handle of a wheelchair, we stick to our stick, the handle of a fruitfull and competitive aeroplane.

The large clubhouse contains: A room with some machinery and tools for repair and maintenance, toilets, hot water and some basic food. Limited (read primitive) camping facilities are available without charge.

The contest will be run at our field in: (see map)

### **Hesteskoen, Rørdal, Aalborg, DK-Denmark**

The competition will be held according to the FAI sporting code, including it's latest amendments and changes.

#### **Please note:**

The classes F2A and F2D are World Cup this year.  
DK-FAI-rules are equal to FAI-rules, without the huge need for FAI judges and officials.

#### **Classes:**
